

Remarks

The specification has been amended to include a reference to the priority applications and sub-titles of main parts of the specification.

Claims 1-13 are currently amended to remove multiple dependencies and transitionary language in order to meet the requirements of the United States Patent and Trademark Office.

To meet the requirements of the United States, the Abstract (the published PCT application abstract has been shortened to be compliant with the requirements of the United States Patent and Trademark Office) is added.

No fee is believed to have been incurred by virtue of this amendment. However if a fee is incurred on the basis of this amendment, please charge such fee against deposit account 07-0832.

Respectfully submitted,
Jean-Baptiste Henry
